PETERMAN'S DISCOVERY
Kills bed bugs and their eggs instantly. Two styles "Liquid," to inject into cracks by the use of the can; "Paste," to be painted on any surface. Lasts a year and kills every bug that travels over it. A sure preventive.

AMUSEMENTS
SONG RECITAL AT PRESBYTERIAN CHURCH.
The song recital to be given by Mrs. Emma Dawdy-Sessions, contralto, at the First Presbyterian church Friday night promises to be an event of exceptional note in musical circles.
Mrs. Sessions has a full, rich voice of remarkable sweetness and all who have heard her are enthusiastic in praise of her delightful work.
Tickets are being sold at 50 cents and no doubt the church will be crowded.

At the Bijou.
As was expected the second night of this week's bill at the Airdome packed the spacious enclosure, almost every available seat being taken at the last performance and all of them at the first, and from the pleased expressions heard after each performance the crowds were entertained well.
The bill this week is composed of four big acts, almost anyone of which is sufficiently good for a headliner. In Adonis the management has an at-

THE ANT.
Facts About One of Nature's Most Industrious Creatures.
When spring comes with all its wealth of opening buds and new flowers, the ant is preparing for a season of profitable industry.
It comes out of its winter quarters and locates a new home where it can store away, during the summer months, the sustenance for the long winter days.
Just as industrious as the ant—but in a different way, are the countless—infinitesimal germs which burrow into the scalp and eat away at the roots of the hair.
As they burrow away Dandruff forms, and if the germs are not all killed, Baldness results.
Newbro's Herpicide is the only known remedy which kills the germs. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

traction of the very first-class, and last night cheer after cheer greeted him and his trained dog at each performance. There is no doubt but that he will continue to draw crowds in Pensacola as he has in New Orleans and elsewhere.
Another team, which is far above the average, is that of Miss Ruby Williams and Billy Van Allen. They are off the big circuits and this is their first trip to the South. They are known as the "singing and talking machine," and are about the best in this line seen on the Bijou stage. Miss Williams is very clever and she has a good partner in "Billy" Van Allen.
Miss Katherine Martin, the singing and character change artist is clever, while Mayme and Mayme in singing and dancing are good.
The management announced that this afternoon at the moving pictures souvenirs will be given to each person attending, and also at the matinee Friday afternoon.

At the Orpheum.
With the excellent balancing gymnastic act of the Two Perris's sandwiched in between the two extraordinarily attractive musical acts of this week's bill—Harry Mayer, one of the cleverest musical comedians ever seen at the Orpheum, and the Musical Craigs, by odds the very best duo of instrumental musicians ever booked into this popular little playhouse, Manager Vucovich is presenting his patrons a feast of music in vaudeville that's fit for the gods, and the vaudeville gods of Pensacola are demonstrating their appreciation of the unusual excellence of the bill by their attendance at every show.
Nothing approaching Harry Mayer, the musical comedian, in proficient versatility has ever been seen on the Orpheum stage, and if he were the only attraction on the bill, his act with the picture and exquisite music by the Orpheum's "greater orchestra" would be well worth the price of admission to the show; but in their line, the Musical Craigs and the Two Perris's are equally as entertaining.

PENSACOLA STARS AND A B C'S PLAY BALL
The Pensacola Stars and the A B C's played a fine game of baseball yesterday afternoon on the North Hill play ground, the score having been 3 to 2 in favor of the Pensacola Stars. The feature of the game was the two-base hit by C. White. A large number witnessed the game.
